

QUICKK™ Poly Mailers feature a wide range of protective products for the packaging industry including standard poly, utility and self-seal mailers that offer superior mailing capabilities. Designed to accommodate the needs posed by the ever-changing protective packaging industry, QUICKK™ Poly Mailer products boast the following features:

- ▶ Manufactured with a sturdy, multi-layer blend of lightweight resin materials.
- ▶ Tamper-resistant design engineered to withstand moisture, dirt, punctures and external stresses.
- ▶ Biodegradable materials tested and verified by independent laboratories and international standardization bodies.
